Subject: Updates regarding the After School Club

Message:

We would like to thank you for your flexibility and patience regarding the start of the After School Club. We understand how imperative the program is to our students and families and we are doing our best to offer you a safe, quality, fun and educational program as quickly as possible. As mentioned in the previous letter from the Head of School, the program was challenged with staff vacancies. Our hope was to have the program up and running by Tuesday, October, 13, 2020. We are happy to announce that we are onboarding a full staff to operate our After School Club. Due to paperwork requirements for our staff per our DCYF license, we will not be able to have a **definite** start date until Tuesday, October 20, 2020. We are so excited to get the students engaged in project-based learning and watch all of their amazing work they do through creativity and imagination. Again, we apologize for any inconvenience this may cause. We are looking forward to seeing our ASC friends on October 20. Please contact the After School Club with any questions at (401) 453-2626 x145 or x117.
